To Whom It May Concern,

I taught Emily Rowlings in Design Studio 5 of the Bachelor of Architecture at the University of Technology Sydney. In my experience tutoring Emily over a 12 week period, she was conscientious, polite and dedicated. Throughout the design studio Emily demonstrated commitment to the task set for the class, and consistently engaged with the class in a professional manner. Emily was organised, careful and thorough in her approach. I recommend her without hesitation.

Please do not hesitate to contact me in regards to Emily's application.

Yours Sincerely,

Lindsay Mulligan
